THE EUROPEAN ICON  
REIMAGINED FOR THE USA

# STX VAN - 2 HORSES

# STX HORSETRUCK - 4 TO 9 HORSES

The STX Vans feature a meticulously designed layout tailored to ensure the comfort and safety of all horses, including stallions and mares with a foal at foot.

With secure and well-ventilated stalls, the layout prioritizes a stress-free travel experience, addressing the diverse needs of our equine passengers and ensuring their well-being throughout the journey.

STX Horsetrucks redefine equestrian transportation with opulent interiors and durable construction, setting a new industry standard. Step inside and experience refined luxury and comfort, complete with all modern amenities - a home away from home.

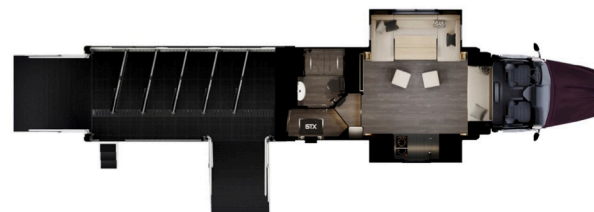

Available for 4-9 horses, prioritizing safety and comfort with spacious, well-ventilated stalls and adjustable partitions.

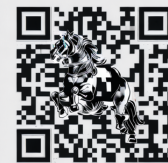

**FINANCING AVAILABLE!**

From \$1900 per month!
